

Is your youngster facing important career decisions?

A FREE careers advice event can help them.

Friday, 16 February 2018
Medway University Technical College
10am-3pm

- Designed to support learners in years 11, 12 and 13
- One-to-one sessions with training careers advisors
- Meet training providers and local employers
- Practical advice from speakers across engineering, construction, banking, health, sport, the Armed Forces and more
- CV workshops
- Parents, carers and guardians - get a fresh perspective on your own career
- Left school without a career and not in education, training or employment? Come along and talk to us.

For more details, to book a CV workshop or make an appointment with a training careers advisor at the event, please email business.support@medway.gov.uk or visit medway.gov.uk/schoolsandeducation/careersevent
